

# 5 tips to move from college to career

## W By the numbers

80%

Of students change majors 1-3 times over the course of college

47

Career Fairs across campus each year

220+

Career Center workshops per academic year

48%

Of UW grads got their post-grad job through a networking contact

### Build your network

> Check out an employer information session, employer-led workshop or a career fair

### Engage with professional development opportunities

> Attend one of the Getting Started, Lab or Career Meetup workshops offered every quarter in the Career & Internship Center

### Explore majors and reflect on skills and strengths

> Schedule a one-on-one appointment with a career counselor to talk about your interests and goals

### Seek out-of-class learning experiences

> Attend the Internship Fair, join a registered student organization, volunteer in the community or choose your own adventure!

### Practice professional communication

> Schedule a mock interview or conduct an informational interview with a professional in your field of interest
