## FINDING ON-CAMPUS WORK AT UW

The UW employs thousands of students each year in various roles. Working on-campus is a great way to earn money, connect with your community, explore career options, develop skills, and build your resume.

**THE CAREER & INTERNSHIP CENTER** is a centralized office maintaining HuskyJobs, an online database of thousands of on- and off-campus jobs and internships.

- > 134 Mary Gates Hall / 206.543.0535 / [careers.uw.edu](http://careers.uw.edu)
- > Campus departments are encouraged to post positions in HuskyJobs, but are not required to, which is why additional links and employers are listed

**THESE DEPARTMENTS ARE TOP CAMPUS EMPLOYERS** that hire on a rolling basis. This list serves as a starting point for your job search is not intended to be comprehensive:
